### WHAT IF?

#### Reimagining God's Future for Your Life Week 3--What if I had the courage to overcome?

"It was by faith that the people of Israel marched around Jericho for seven days, and the walls came crashing down." Hebrews 11:30 (NLT)

After the death of Moses the Lord's servant, the Lord spoke to Joshua son of Nun, Moses' assistant. He said, "Moses my servant is dead. Therefore, the time has come for you to lead these people, the Israelites, across the Jordan River into the land I am giving them. I promise you what I promised Moses: 'Wherever you set foot, you will be on land I have given you— from the Negev wilderness in the south to the Lebanon mountains in the north, from the Euphrates River in the east to the Mediterranean Sea in the west, including all the land of the Hittites.' No one will be able to stand against you as long as you live. For I will be with you as I was with Moses. I will not fail you or abandon you. "Be strong and courageous, for you are the one who will lead these people to possess all the land I swore to their ancestors I would give them. Be strong and very courageous. Be careful to obey all the instructions Moses gave you. Do not deviate from them, turning either to the right or to the left. Then you will be successful in everything you do. Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do. This is my command—be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go." Joshua 1:1-9 (NLT)

#### The Courage of Joshua...

- He trusted in God's promises.
- He was devoted to God's Word.
- He depended on God's presence.

#### What if we had the same Courage as Joshua?

- Let us claim God's promises.
- Let us obey God's Word.
- Let us experience God's presence.
- Let us enjoy God's deliverance.

#### Key Takeaway

From this message, what is **one key takeaway** you will apply to your life this week? How can you share this key takeaway with others (conversation, text, social media)?
